TRANSFORM THROUGH TECHNOLOGY

NJMGMA PMC 2018

JUNE 6-8, 2018
 TROPICANA CASINO & RESORT
 ATLANTIC CITY, NJ

TRANSFORM THROUGH TECHNOLOGY KEYNOTE PRESENTATIONS

OPENING KEYNOTE SPEAKER:

Beth Ziesnis

Opening Keynote: A Day In The Life Of A Nerdy Medical Group Manager

Beth Ziesnis

So many apps...so little time. How can you put the technology at your fingertips together to make your life easier at your practice? This fast-moving, laugh-filled session takes you hour by hour through the day in the life of a tech-savvy medical professional. You'll learn how a professional nerd solves a security crisis before 10am, learns to make more of a lunch hour with a set of virtual hands, saves money on software before the staff meeting and brings the team together online before the day is done.

KEYNOTE SPEAKER:

Stan Phelps

Using Technology, Data & Analytics to Drive Differentiation & Advocacy

Stan Phelps

According to a recent study, 76% of customers expect brands to understand their individual needs. In his workshop, best-selling author and IBM Futurist Stan Phelps makes the business case for leveraging technology, data and analytics to create a competitive advantage and increased customer loyalty. He'll share cutting edge examples and insights from the Blue Goldfish Project. Attendees will learn actionable strategies to turn big data into useful data.

CLOSING KEYNOTE SPEAKER:

Mary Kelly, PhD, CSP, Commander, US Navy (ret)

Master Your Practice Management World: 10 Executive Strategies to Improve Productivity, Profits and Communication

Mary Kelly

Practice managers have to stay ahead of trends and technologies to lead their teams, attract top talent, and make their practices effective. Is your practice ready to respond to patients via live streaming? Are you using medical treatment apps? Are you helping patients use technology to track their prescriptions? Is your practice leading the way into the future of health care?

PMC 2018 Program Learning Objectives

MGMA's Body of Knowledge, a tool developed for practice managers by medical practice managers, helps professionals design and maintains efficient and effective operations that support the delivery of patient-centered care. It also serves as the exam blueprint for NJMGMA members who are pursuing certification and Fellowship through the American College of Medical Practice Executives (ACMPE), the certification and standard-setting entity of MGMA.

Simply put, the Body of Knowledge is the authoritative guide to managing a successful medical group practice and is the most valid and reliable resource available in the field.

The NJMGMA Program objectives for PMC2018 embody the spirit of the Body of Knowledge Competencies; Operations Management, Financial Management, Human Resources Management, Risk and Compliance Management, Organizational Governance, Patient-Centered Care.

This conference will give you high quality educational experiences comprised of the main components essential to the success of today's practice managers.
